Fare zones and PAYG

Fare zone numbers are shown on the map overleaf with 'T' indicated in the station index left for the London Trams zone. Some stations are in two zones, see the map key overleaf. The map also shows which stations are outside the zone system and are noted in the index with 'out'.

Pay As You Go fares vary according to the services used, the time of travel and the zones travelled through. To check your fare, visit:

BACK COVER

This publication is designed to work at A3 and is a 2-page PDF.

If you have access to an A3 printer that prints both sides (duplex), set it to long edge binding and then fold the print concertina style left to right as follows: With the map side facing you, fold it in half left to right. Open it back out and fold in the left-hand side by 70mm. Turn it over and fold that 70mm panel back on itself. Repeat the action on the right-hand side.

You should now have five creases, six panels, left to right. Fold the whole thing in half so that the front cover opens in the bottom right-hand corner.

Let me know if you have downloaded the map so I can gauge interest, and also your views if you like.
